## OBJECTIVE

An ambitious and innovative Information Technology student with a passion for merging technology and creativity. With a solid foundation in data science, web development, and full-stack technologies like MERN and MEAN stack, I am eager to explore and contribute to the next generation of cutting-edge solutions. I am driven to leverage my skills in both the front-end and back-end to build impactful applications and continuously evolve in the tech industry.

## ACHIEVEMENTS & AWARDS

- 🏆 IBM Data Science Certification
- 🏆 College First Rank Certificate (for CGPA)
- 🏆 Seminar Participation Certificate (National Level)
- 🏆 International Seminar Participation Certificate
- 🏆 Participated in inter-college events:
  - 1).Quiz Competitions
  - 2).Dance Competitions

## LANGUAGE

Fluent in English and Tamil

## ADDITIONAL INFORMATION

Hi, I'm Sivaranjani Sivaraj. As an ambivert with a passion for lifelong learning, I'm driven to enhance my skills and knowledge. Embracing the brevity of life, I focus on intellectual growth, not just accumulating information. A dance enthusiast, I prioritize personal development alongside professional ambitions.

As the first graduate in my family, I'm determined to make them proud by succeeding as a businesswoman. My immediate goal is to launch my career in the IT industry, paving the way for future entrepreneurial pursuits.

## INTERESTS

- ➡️ Exploring fashion technology and innovative trends
- ➡️ Dancing and playing chess
- ➡️ Reading books to enhance knowledge

## ACTIVITIES

3rd-year B.Tech IT student focused on full-stack development (MERN/MEAN stack) and data science. Working on a personal task manager web application and exploring fashion technology. Engaged in dance competitions, chess, and quizzes. Passionate about reading to expand knowledge and stay updated on innovative trends."
